

## Professional Services

Members of the professional services business sector provide specialized expertise in fields including legal services, accounting, financial services, insurance and business consulting. Throughout the years, Greenbaum has provided legal representation to attorneys and law firms, CPAs and accounting firms, financial advisors, insurance brokers, and other members of the professional services industry on a broad range of legal issues, including those related to real estate and corporate transactions, business and shareholder disputes, tax and estate planning matters, state and federal investigations, and white-collar defensive litigation.

### Areas of Focus

- Professional liability defense
- Breach of fiduciary duty claims
- District Ethics Committee and Office of Attorney Ethics investigations and prosecutions
- Mergers & acquisitions
- Unfair competition claims
- Employment disputes
- Insurance coverage matters
- Executive compensation and benefits
- Complex tax issues
- Defense of malpractice, RICO and business fraud claims
- Professional regulatory compliance
