Greenbaum, Rowe, Smith & Davis LLP has been recognized by *U.S. News - Best Lawyers* on its 2022 "Best Law Firms" list, an annual ranking of firms that are acknowledged for professional excellence. The tiered rankings are based upon responses to a survey process in which clients and legal industry peers are asked to address a firm's expertise, responsiveness, understanding of a business and its needs, cost-effectiveness, civility, and whether they would refer another client to the firm.

This year, the firm is proud to again be recognized on a national level in the practice area of Land Use & Zoning Law, and to be listed among New Jersey law firms in an additional 33 areas of practice.

The "Best Law Firms" ranking methodology includes the independent collection of client and lawyer evaluations, peer review from leading attorneys in their field, and a review of additional information provided by law firms as part of a formal submission process. Additional details on eligibility and methodology are available on the [Best Law Firms/U.S. News website](#).
