

## Advanced Topics in Land Use - Permits, Parking, Pot, Standing and Design

**Steven G. Mlenak**, a partner in the firm's Real Estate and Redevelopment & Land Use Departments, will be a panelist at the all-day virtual "NJICLE Winter Conference," to be presented by the New Jersey Institute for Continuing Legal Education (NJICLE) on Monday, November 23, 2020 from 8:45am - 6:30pm (ET).

Mr. Mlenak will participate in the presentation "Advanced Topics in Land Use - Permits, Parking, Pot, Standing and Design" in the Conference's Special Interest Track. The program, scheduled from 10:30am - 12:10pm, will be presented in cooperation with the NJSBA Land Use Section.

New Jersey is experiencing a rate of change not seen in at least a generation, and land use is one of the most affected areas of practice. This program will provide insight into complex land use and zoning issues including:

Mr. Mlenak concentrates his practice in the areas of redevelopment, land use, zoning, and real estate development. His clients include property owners and developers engaged in mixed use, residential, industrial, commercial, office, retail and affordable housing development projects. Mr. Mlenak provides guidance from the initial project concept through to construction, including land use planning and approvals, permits and variances and appearances before municipal, county and state planning and zoning boards and agencies.
