

Construction Law Essentials: Key Contract Clauses for Negotiation

Steven Nudelman, Chair of the firm's **Construction Contracting & Risk Management** practice, will present a live webinar on "Construction Law Essentials: Key Contract Clauses for Negotiation" on Thursday, July 31, 2025 from 2:00pm – 3:30pm. The program will be hosted by Law Practice CLE.

For owners, contractors or subcontractors, half the battle in drafting construction agreements is knowing what to negotiate and how. This seminar will cover some key contract clauses for negotiation. While not all these clauses may be subject to negotiation for a given project, many times they are – if one of the contracting parties inquires. This seminar will provide some insight into possible negotiation inquiries, from the vantage point of the owner, contractor and subcontractor.

Topics on the agenda include:

- Why negotiate?
- Insurance and Indemnification
- Payment- Related Clauses
- Change Orders / Construction Change Directives
- Termination
- Dispute Resolution
- Material Price Escalation
- Miscellaneous / Boilerplate Clauses

Steve has practiced construction law for nearly 30 years, handling both transactional matters and claims. He works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and negotiate contract documents for construction projects in the New Jersey and New York metropolitan area. He also represents clients in state and federal courts, as well as in local and international mediations and arbitrations.

Additional program details and registration are available on the [Law Practice CLE website](#).
