

Greenbaum, Rowe, Smith & Davis Welcomes Phyllis J. Kessler as Of Counsel

Announcement

2.01.24

Greenbaum, Rowe, Smith & Davis LLP is pleased to announce that **Phyllis J. Kessler** has joined the firm as Of Counsel in the **Energy & Renewable Resources** Practice Group.

Ms. Kessler practices in the area of energy project development and regulation, with a focus on the provision of electricity and gas through renewable technologies such as solar and wind. She has broad expertise in energy project transactions and the drafting and negotiation of related agreements and has significant experience in state and federal energy regulation and proceedings.

Ms. Kessler's clients have included project developers, financial institutions, and large consumers of regulated and unregulated energy services, including data centers, multifamily housing facilities, nonprofit entities, universities, hospitals, and gas and power authorities. She provides guidance on energy projects involving solar, wind, microgrid, fuel cell, energy storage, cogeneration, biofuel-generation, interconnection and line extension. She represents clients in federal and state courts and in regulatory proceedings.

Ms. Kessler has been recognized in *Best Lawyers in America* (a trademark of Woodward/White, Inc.) in the Energy Law practice area since 2010 and is Peer Review Rated AV® Preeminent (a trademark of Internet Brands, Inc.) by Martindale-Hubbell. She is admitted to practice in state and federal court in New Jersey and New York.
