

Industry Data & Statistics and Research Findings on Contemporary Issues

Caroline Record was the co-presenter of this fast-paced session from the Foundation for Community Association Research, which delivered key industry data and statistics, including the number of people living in community associations, growth of the housing model, and the financial impact of housing on the economy. The program presented highlights from the 2020 Homeowner Satisfaction Survey—a report detailing homeowners' experiences with their community, manager, board, and neighbors.
