

Latest Developments in Cannabis Law

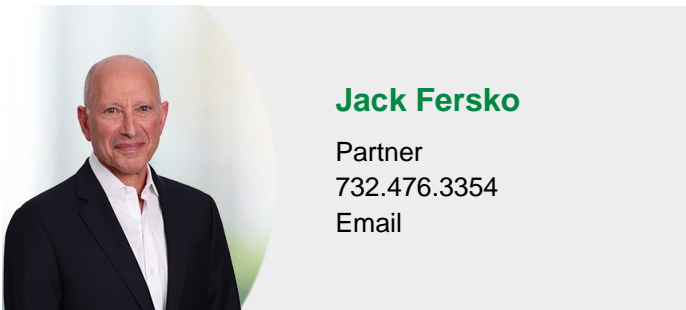

Jack Fersko, Chair of the firm's [Real Estate](#) Department and [Cannabis Industry](#) Practice Group, will be a speaker for a presentation on the "Latest Developments in Cannabis Law" on Thursday, October 28, 2021 from 9:00am - 12:35pm. The program will be presented live at the New Jersey Law Center and will also be available for viewing as a live webinar.

The world of cannabis law is continuously evolving. This program will provide updates on some of the latest developments in cannabis law, including the recently issued regulations. Topics to be discussed include:

Mr. Fersko is a member of the New Jersey State Bar Association's Cannabis Law Special Committee. His practice reflects his extensive experience as a commercial real estate and general business lawyer. His legal services emphasize industrial and commercial real estate activities, with a particular focus on industrial leasing, project financing, sustainable development and alternative energy initiatives, urban redevelopment, and the impact of environmental laws on commercial real estate transactions, including the acquisition and redevelopment of environmentally contaminated sites. In response to the enactment of an adult-use recreational program, and the expansion of New Jersey's legal medical marijuana program, Mr. Fersko is prepared to meet the needs of both existing and future clients by providing counsel related to the business and legal impacts of a New Jersey-based cannabis industry.

Additional information and registration details are available on the [NJICLE website](#).
