

Laws for New Jersey Architects

Steven Nudelman, Chair of the firm's [Construction Contracting & Risk Management](#) Practice Group, will be on a faculty for a full-day webinar on "Laws for New Jersey Architects" on Tuesday, September 19, 2023, from 8:30am - 4:00pm (ET). The program will be hosted by HalfMoon Education.

The comprehensive agenda for this program is as follows:

Understanding the Law of Professional Liability

The Architect's Standard of Care

Understanding the Law of Architectural Copyright

Architects and Construction Liens

Overview of Contract Law for Architects

Complying with New Jersey Rules of Professional Conduct

Understanding New Jersey Building Design Law and Design-Build

Overview of the New Jersey Rehabilitation Subcode NJAC 5:23-6.1 et sec.

A partner in the firm's [Litigation](#) and [Real Estate](#) Departments, Mr. Nudelman concentrates his practice in construction law. For over 25 years he has represented members of the construction industry across a broad spectrum of matters. On the transactional side, Mr. Nudelman works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and negotiate contract documents for construction in the New Jersey and New York metropolitan area. His construction contracting work helps his clients manage the risk inherent in construction projects so they may adequately protect their interests now to avoid claims in the future. When disputes are unavoidable, Mr. Nudelman draws upon his wide-ranging experience in construction litigation, representing clients in state and federal courts throughout the New Jersey/New York metropolitan area, as well as in local and international mediations and arbitrations.
