A partner in the firm's [Litigation](#) and [Real Estate](#) Departments, Mr. Nudelman has represented members of the construction industry across a broad spectrum of matters for over 25 years. He works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and negotiate contract documents for construction in the New Jersey and New York metropolitan area. Mr. Nudelman drafts, modifies and negotiates customized contracts, as well as contracts based on standard industry forms from groups such as the American Institute of Architects, ConsensusDocs and Design Build Institute of America. Mr. Nudelman's construction contracting work helps his clients manage the risk inherent in construction projects so they may adequately protect their interests now to avoid claims and disputes in the future. When claims and disputes are unavoidable, Mr. Nudelman draws upon his wide-ranging experience in construction litigation, representing clients in state and federal courts throughout the New Jersey/New York metropolitan area, as well as in local and international mediations and arbitrations.
