

New Jersey Engineering Law and Ethics

Steven Nudelman, a partner in the firm's Litigation Department and Construction Practice Group, will be a panelist for a full-day live webinar on "New Jersey Engineering Law and Ethics," to be presented by HalfMoon Education Inc. on Wednesday, November 18, 2020 from 8:30am - 4:30pm (ET).

The agenda for this presentation is as follows:

Contract Law Primer for Engineers

Professional Liability Law

Handling Ethical Issues in Professional Engineering Practice

Focus on Ethical Issues in Supervision, Control and Use of Engineer Seal

Developments in Federal and New Jersey Environmental Law

Mr. Nudelman concentrates his practice in construction law and the representation of members of the construction industry across a broad spectrum of matters. His clients include owners, contractors, design professionals, subcontractors and suppliers involved in public and private construction projects throughout New Jersey. He also represents community associations, unit owners and developers in lawsuits involving construction defects, budgeting and financing issues, and condominium governance. Mr. Nudelman is a Charter Fellow of the Construction Lawyers Society of America, and currently serves as Co-Vice Chair of the New Jersey State Bar Association Construction Law Section.
