

## Estate Planning, Counseling, Administration & Litigation

Planning for the future is one of the most impactful steps an individual can take for themselves and their loved ones. Greenbaum offers comprehensive estate planning, counseling, and estate administration services tailored to meet the unique needs of individuals and families across New Jersey and New York. We strive to provide the highest level of personal attention, coupled with extensive experience and professional expertise. Our collaborative approach emphasizes practical guidance that simplifies complex legal issues to best enable and empower our clients to make informed decisions about their future.

Our estate attorneys approach each client relationship with empathy, understanding, and a commitment to clear communication, guiding clients through every stage of the process. Our work ranges from advising clients with basic needs on fundamental and routine issues to structuring and implementing sophisticated protective strategies for clients with more intricate needs, including those with complex family dynamics, high-net-worth individuals, and the owners of closely held or family businesses.
