

## Fiduciary Counseling

Our lawyers advise individual and corporate fiduciaries on all facets of estate and trust administration, preparation of state and federal death and fiduciary income tax returns, post-mortem tax planning, and fiduciary accountings, helping them navigate the often-complicated state and federal income and estate tax regimes and advising them regarding their fiduciary obligations.

### Practice Leader

---

A headshot of Michael A. Backer, a man with grey hair and a beard, wearing a dark suit jacket over a light-colored shirt. The background is a soft, out-of-focus green and white.
