

## Healthcare Private Equity

The firm serves as sophisticated legal advisors to private equity funds, their portfolio companies, and healthcare providers engaging in private equity transactions. We understand the critical balance between achieving financial returns and ensuring strict compliance with the complexities of healthcare laws and regulations, utilizing our expertise in corporate law, mergers and acquisitions, healthcare regulatory compliance, and litigation to provide comprehensive support throughout the entire investment lifecycle.

We provide guidance on investment and financing activities within the healthcare sector, including deal structuring and regulatory due diligence, growth investments and buy-and-build strategies, control, non-control and minority investments, buy-outs and recapitalizations, strategic dispositions and exit strategies, and bankruptcy, restructurings and workouts. Our attorneys also serve as general counsel for portfolio companies, advising on significant transactions as well as day-to-day legal matters, and providing efficiency and continuity for platform acquisitions, bolt-on transactions, ownership and operational issues, regulatory compliance matters, and sales.
